=====

Case No. CR-2024-0912. Statement recorded at Shivajinagar Police Station.

The complainant alleges that on 12 March 2024, office property and a laptop were stolen from the third-floor server room between 5:00 PM and 5:30 PM.

Witness Suresh Patel, the office manager, states that he briefly saw the accused, Ravi Kumar, near the third floor at approximately 5:05 PM on the said date.

The accused, Ravi Kumar, in his initial statement denied being present at the office at 5 PM and claimed he was at his residence with his brother, Anil Kumar.

CCTV access logs retrieved from the building security system indicate that an access card registered to Ravi Kumar was used to enter the server room at 5:10 PM.

The investigating officer notes a discrepancy between the accused's stated whereabouts and the documentary CCTV evidence which requires further clarification.
